

EVERYONE PLAYS!

It is the policy of Heart of the City to make program opportunities available to all people, regardless of income. We provide reduced registration fees to those who are not otherwise able to participate. Reduced fees for **NCU Travel League registrations** will be awarded for a percentage discount, depending on individual circumstances.

All information will remain confidential.

Fee reductions will be awarded on a first-come first-serve basis and a limited number of fee reductions will be available.

Please detail any extenuating family circumstances that should be considered with your scholarship application on a separate sheet of paper and return it with this form.

An application for reduced fees alone does not register the participant, nor does it reserve space in a program. Applications are processed in the order in which they are received. You will be notified once your application has been processed.
