SOCCER COACHES WANTED

Interested in becoming a Soccer Coach for youth in Lake County?
No professional coaching experience needed.

Criteria

Experience playing soccer and/or knowledge of the game

Passion for working with kids

Reliable and excellent time management

Have reliable transportation

Energetic and motivated

Pass background check

Available to work week nights

What We are Looking For:

Heart of the City is looking for energetic community members interested in supporting the future of youth in Lake County through fun and accessible soccer programs!

We are looking for individuals who love the sport of soccer and enjoy working with children and young adults. We are looking for reliable individuals who are passionate about helping the community and are willing to learn.

Interested?
